

## INTERNSHIP & LIVING ABROAD PROGRAMS

### SUMMER INTERNSHIPS

In the belief that firsthand experience in another country is the best way to achieve international awareness, the MSC L.T. Jordan Institute sponsors Internship and Living Abroad Programs (ILAP) for Texas A&M University students. The Jordan Institute arranges all of the logistics, including round-trip airfare, housing with host families, excursions, health insurance, meals, and non-compensatory work experience that relates to the student's academic and career interests. These are 6-week summer internships in Chile, China, England, Singapore, and Spain. Students work with a company that aligns with their major and interests while gaining applicable experience and a necessary global education.

### APPLICATION REQUIREMENTS & DEADLINES:

- Have one semester left at Texas A&M after program
- Have at least a 2.25 GPA

Application at [ltjordan.tamu.edu](http://ltjordan.tamu.edu)

- Due: Last Friday of October

## ESTIMATED PRICES:
