EVALUATION OF THE PRE-PROPOSAL

All else being equal, preference will be given to applicants who:

• Have little or no international experience
• Will be fully immersed in an international culture
• Are receiving little or no other research grant money
• Receive the greatest benefit from the grant money
• Are competent in the native language of the destination
• Plan for duration and intensity (At least one month)
• Have designed a program that coincides with the applicant's long term academic or career goals

ELIGIBILITY

• Currently enrolled at Texas A&M University with at least one semester of additional enrollment after Fellows experience

• Undergraduates must have a minimum 3.0 GPA, while graduate applicants must have a minimum 3.25 GPA

• U.S. Citizens or Permanent Residents with a valid passport

• Applicants must present a letter from an advisor stating the relevance of the proposed research to academic or career goals
